7. Board Meeting Votes

Vote #1 — Transition Kayaking Program to Paddleboards

Proposal:

Nevada Outdoor Recovery is proposing to transition the current kayaking program to a **paddleboard-based program**.

Paddleboards would provide advantages in areas such as:

- Storage efficiency
- Transportation
- Space management
- Program logistics

Disposition of Current Kayaks

The board will need to determine how the organization's current kayaks should be handled.

Option A — Donate

- Donate the kayaks to another nonprofit organization that could benefit from them.

Option B — Sell

- Sell the kayaks and deposit the proceeds into Nevada Outdoor Recovery's bank account.
- Funds would then be available to support future programs and organizational operations.

Board Action

Motion: Approve the transition from kayaking to paddleboarding and authorize the organization to either donate or sell the existing kayaks, as approved by the board.
